Introduction

This sacred knowledge is an inheritance of Hazrat Abdul Qadir Geylani and Hazrat Ahmed er Rifai through Shaykh Muhyiddin Ansari to us. The goal of each *murid* is to learn Allah and attain closeness through love and service. The advice of the *Pirs* is to read the Qur'an, be the Qur'an and represent the *insan* that is expected and mentioned in the Qur'an. To achieve this, we need to go through purification of the *nafs* [ego] and transformation of the *nafs*. There are seven layers of *nafs* that we have to go through. They are:

1. *nafs-i ammara*,
2. *nafs-i lawwama*,
3. *nafs-i mulhama*,
4. *nafs-i mutma'ina*,
5. *nafs-i radziyya*,
6. *nafs-i mardziyya*,
7. *nafs-i safiyya*.

When you go through these levels, you do spiritual *mi'raj* [ascension]. You will learn more about these through your Shaykh¹.

❖ What is expected of a seeker of Allah's Face is:

1. To hold on to the rope of Allah
2. To do your *wazifa* everyday
3. To pay your tithing

Whoever does these, the *Pirs* guarantee advancement.

❖ It is advisable:

1. To read the Qur'an in English or in your own language daily.
2. To attend Group *Zikr* as often as possible.
3. To do exercise daily.
4. Not to decide on your own to change your practices.
5. Not to discuss your practices, visions and dreams with other *murids* but only to your assigned guides.

How to make Rabita

It is recommended to make *rabita* [connection] before doing anything, especially before beginning your *wazifa*. You think of your Shaykh, and say, "I am not doing this, my Shaykh is doing this." Refer to the **Required Learning Materials** for more about *rabita*.

How to do Zikr

Zikr is done *jahri* or *khafi*. *Khafi zikr* is done below the normal voice. For us, it has to be *jahri*, outer. Your ear has to hear what you are saying. The *zikr* has to vibrate your body and the breath has to move your chest.

1: It is implied that the Shaykh can be either a man or a woman ("Shaykha").

Contemplation and Movement in Doing Zikr

la ila-ha il-lal-lah: Circular head movement

la ila: To the *nafs*. Head moving from right shoulder (Fig 1) to forward (Fig 2)

ha: Focus on third eye. Head faced forward (Fig 2)

il-lal: To the heart. Head bending toward heart (Fig 3)

lah: From *ruhani ruh* & *sultani ruh* in the heart to *seyrani ruh* in the *sadr*.
Head moving from heart (Fig 3) to *sadr* (Fig 4).

Ya Allah: Head bowing to heart (Fig 3)

Ya Hu: Distributor to everywhere. Head lowering to *sadr* (Fig 4)

Ya Haqq: Head bowing to heart (Fig 3)

Ya Hayy: To the whole body. Head lowering down (Fig 4)

Ya Qayyum: To the whole body. Head lowering down (Fig 4)

Ya Qahhar: To the *nafs* – desires represented by the air in the lungs (Fig 5)

Ya Latif: To the whole body. Head lowering down (Fig 4)

Fatiha

Note: The following **Salawat** is recited before reciting *Sura Al Fatiha*.

**Allahumma salli ala Sayyidina
Muhammadin wa ala
aali Sayyidina Muhammad**

O our Allah! Please send Your peace
and blessings upon our Revered Master
Muhammad and his family.

Sura Al Fatiha

**A-uzu billahi min
ash-shaytanir-rajim.
Bismillahir Rahmanir Rahim.
Al hamdu lillahi
Rabbil 'Alamin.
Ar Rahmanir Rahim.
Maliki Yawm id-Din.
Iyaka na'budu
wa iyaka nasta'in.

Rifai Wird

I seek refuge in Allah from Satan, the outcast. In the name of Allah, The One Who Acts with Mercy, The Source of Mercy. All gratitude and praise belong to Allah, the Lord of the worlds. The One Who Acts with Mercy, The Source of Mercy. The Owner of the Dominion on Judgment Day. We connect and devote ourselves to You, and we ask for Your help. Guide us to the confirmed and sure path. The path of those on whom You have bestowed Your grace, not of those who deserve Your wrath nor of those who misguide themselves. Amen. (Al Fatiha:1-7)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy. Muhammad is the Messenger of Allah, and those with him are tough against the unbelievers but merciful among themselves. You (Muhammad) see them bowing and doing *sajda* [prostration], and seeking bounty from Allah and His acceptance (and happiness with them). Their marks are on their faces from the traces of *sajda*. Such is their description in the Torah and their description in the *Injil* [Gospel]. It is like a sown seed that sends forth its shoot, and strengthens it, so that it thickens and stands firm upon its stalk, astonishing the planters, so that He may enrage the unbelievers by them. Allah has promised those among them who believe and do good deeds absolution and a tremendous reward. (Al Fath:29)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy. Do *tasbih* [repeated glorification] of the name of your *Rab* [Lord], The Most High, Who creates, and then proportions; Who sets the *qadr* [formulas; measure; laws and regulations; guidelines], and guides; Who brings forth the pasturage, then turns it into dry, darkened stalks. (O Muhammad) We will make you recite it, so you will not forget, unless Allah wills [*masha Allah*]. Truly, Allah knows that which is apparent and that which is hidden. And We will help to ease your way, to bring you to a state of ease. Remind and advise, because advice might be of benefit, but only the ones who show awe and respect will take heed, but the criminal rebels will disregard it. They are the ones who will be flung into the great Fire, in which they will then neither die nor live. The successful ones are those who attain good manners that bring them closer to Allah, and do *zikr* [repeated remembrance with contemplation] of the name of their *Rab*, thus establishing a better connection to Him. But no, you (people) prefer the life of this world. You should know that the Hereafter is better and more enduring. This is surely in the prior scriptures, the scriptures given to Ibrahim [Abraham] and Musa [Moses]. (Al 'Ala:1-19)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy. Surely, We sent (The Qur'an) down on the *Laylatul Qadr* [Night of Power]. We wish to bring you to the realization of what the *Laylatul Qadr* is: The *Laylatul Qadr* is better than a thousand months. On it, the angels and the *Ruh* [Holy Spirit] descend by the permission of their *Rab* [Lord] in regard to every matter (and request). Peace it is, until the rising of the dawn. (Al Qadr:1-5)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy. When Allah's help comes to you, and the triumph, and when you see human beings entering the *din* [practice of acting with the truth] of Allah in multitudes, then do *tasbih* [repeated glorification] of your *Rab* with gratitude and praise, and seek His absolution. Truly, He has always been ready to accept *tawba* [repentance]. (Al Nasr:1-4)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy.
Say, "He, Allah, is *Ahad* [Unique; Formless], Allah is *Al Samad* [The Administrator of All
Manifestation]. He does not give birth, nor is He born, and nothing is equal to *Ahad*."
(Al Ikhlas:1-4)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy.
Say, "I seek refuge in the *Rab* [Lord] of the daybreak from the evil of what He created,
and from the affliction of the darkness when it intensifies, and from the negativity of
those who blow on knots (doing evil magic), and from the harm of the envious ones
when they act with envy." (Al Falaq:1-5)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy.
Say, "I seek refuge in the *Rab* of humankind, *Malik* [Ruler] of humankind, *Ilah* [Highest
Power] of humankind, from the evil of the one who whispers and runs, the ones who
whisper (negativity) into the *sudur* [chests] of human beings, whether they be of *jinn*
[hidden beings] or humans." (Al Naas:1-6)

In the name of Allah, The One Who Acts with Mercy, The Source of Mercy. All gratitude
and praise belong to Allah, the Lord of the worlds. The One Who Acts with Mercy, The
Source of Mercy. The Owner of the Dominion on Judgment Day. We connect and
devote ourselves to You, and we ask for Your help. Guide us to the confirmed and sure
path. The path of those on whom You have bestowed Your grace, not of those who
deserve Your wrath nor of those who misguide themselves. Amen. (Al Fatiha:1-7)

O our Allah! Please send Your peace and blessings to our Revered Master Muhammad
and his family as You have sent peace to our Revered Master Abraham and his family
and shower Your blessings to our Revered Master Muhammad and his family as You
have blessed Abraham and his family in all of the realms. Surely, You deserve all
gratitude and praise and You are the Glorious One.

O our Allah! Please give all Your blessings and peace upon the Prophet through whom
all the unsolvable problems are resolved, and grief are driven away, and needs are
fulfilled, and wishes and best outcomes are attained, and clouds are filled with water
for the sake of his noble countenance, and peace and blessings to his family and
companions.

O our Allah, please send Your peace and blessings upon Prophet Muhammad who is
revered and who speaks the truth and who is defined in the *Ummul Kitab*, the mother
book, and who has excellent command and clarity of language and who is defined in
the *sura Al Ahzab*; he is the opener of every door of goodness, and the builder for the
gatherers of every verse and *mihrab*; he is the connection who establishes the logical
steps to do what is right and who opens the doors and who humbles the proud, and
who eases the hardship, and intercedes for us and our parents and all the *mu'minin* on
the Day of Judgment. You are the Revered One and You are the Bestower.

O our Allah, the Great Possessor, save us and teach us, give us the understanding of
our Revered Master Muhammad, may Your peace and blessings be upon him. (3 times)

May peace and blessings be upon you, O Revered Master, O Messenger of Allah,
O Ahmad, lower your wings on this insignificant person, you are our intercessor,
please enlighten us. (3 times)

May peace and blessings be upon you O Revered Master of all the messengers, You are
our refuge and a need in times of great distress. O our Lord, lift up from us worries and
grief with the bounty and generosity of *Bismillahir Rahmanir Rahim*. (3 times)
